

# Never assume your child can't open a pill bottle

Keep medicines out of reach  
of children at all times.

Ask your pharmacist for child  
resistant caps for your pill bottles.

**POISON**  
**Help**  
1-800-222-1222

The logo for Poison Help features the word "POISON" in a bold, black, sans-serif font above the word "Help" in a larger, bold, black, sans-serif font. The letter "e" in "Help" is replaced by a red pill bottle with a white cap and a white skull and crossbones symbol on its side. Below the logo is the phone number "1-800-222-1222" in a bold, black, sans-serif font.
